

# Woodland<sup>TM</sup> SHUTTERS

Timeless and sophisticated Timber Shutters by Orion are a completely customisable, top quality and durable window and door furnishing that will radiate charm for years to come.

### Natural Timber

Not only is the Basswood material environmentally friendly, the lightweight and durable timber encompasses a beautifully grained texture to create the ultimate all round shutters.

### Versatile Colours

With 18 paint and 18 stain colours to select from, each shutter is custom crafted to perfectly enhance each individual space within your home, whilst creating a stunning feature.

### Mounting Options

The possibilities are endless when it comes to dressing each opening within a home. Select from hinged, sliding, bi-fold and fixed shutter applications to best suit the needs of each individual opening and space.

### Adds Value

Whether you are looking for aesthetic window furnishings, or looking to add value to your home, Woodland shutters provide the best of both worlds and are guaranteed to withstand the rigours of everyday life.
